February 2010

Preschool Highlights

The children have been having so much fun sledding on our fabulous hills and making snow angles in the snow. Punxutawney Phil predicts six more weeks of winter fun!

Most bears hibernate in the winter, but not Care Bears! Care Bears represent character traits that we hope to instill in everyone all year long! Their "tummy symbols" indicate positive qualities which give them their names. Tenderheart Bear, Friendship Bear, Cheer Bear, Funshine Bear and Love-A-Lot Bear will bring lots of love and caring to our Valentine's Day festivities!

Everyone will be making their own mailbox for the Valentines exchange and a sweet gift for someone special too!

Bill Martin Jr. is the author of the month. Preschooler's love his stories and poetry and classics like Brown Bear, Brown Bear! The rhyming and repetition in his work is wonderful for pre-emergent literacy skills too!

Next, we will discuss how we can keep our beautiful smiles for a lifetime! On 2/26, Tara Chwalek (Riley's mom and Dental Hygienist) will be sharing her expertise on nutrition and dental health.

Enjoy a fabulous February!

Happy Birthday!

Upcoming Events

2/13—Winter Fun! 1 p.m.
3/27—Open House
5/1—Mother's Day Tea

Dance Class

Dance class will resume on February 16th. The children will need **tap shoes**, a leotard and tights for the class. We will showcase their talents at the Superstar Saturday performance. The cost for dance class is included in tuition if your child is normally in attendance on Tuesdays. Costumes will be purchased ahead of time and are approximately \$40. Please sign up and let us know if your child will be participating in the recital.

Show and Tell Days

Show and tell is a great way for children to share their special things from home and engage in conversations at Circle Time. We ask that the children only bring in items on special days. Sharing items that are theme related also helps spark the children's interest in our topics in a tangible way. Thank you!

Hearing Screening

The Oakland County Health Department will be here March 10th at 9:45 for a hearing screening for all of the children who are entering Kindergarten in the fall of 2010.
